

A Reliable Supplier of Machined Metal Parts

About Teamco

Established in 1995, Teamco has been delivering constant product quality and services in OEM machined metal parts to worldwide customers. Our main customer segments include Oil & Gas, Industrial Fluid Control, Sensor Metal Parts, Machinery, Heavy Duty Mechanical Locking Components and Metal Hardware. Our mission is to provide the most competitive solutions to customers.

Our Advantages

- * One-Stop Shop Supplier, Total Solution, Total Customization
- * Professional in OEM Metal Parts, Experienced in Industry Standards
- * Fulfilling Commitment to Achieve Customer Satisfaction

Inspection Equipment

Material Analysis:	<ul style="list-style-type: none"> • Spectrometer • Metallographic Microscope
General Inspections:	<ul style="list-style-type: none"> • Calipers • Height Test Machine • 3-D Measuring Machine
Partial Dimensions:	<ul style="list-style-type: none"> • Contour Measuring Machine • Optical Projector
Surface Roughness:	<ul style="list-style-type: none"> • Surface Roughness Tester
Mechanical Properties:	<ul style="list-style-type: none"> • Rockwell Hardness Tester • Brinell Hardness Tester • Universal Tensile Test Machine • Universal Impact Test Machine • LNG Cryogenic Tester (-196°C)
Non-Destructive Tests (NDT):	<ul style="list-style-type: none"> • Ultrasonic Testing Equipment (UT) • Magnetic Particle Inspection Tester (MT) • Penetrant Inspection Equipment (PT)
Leakage:	<ul style="list-style-type: none"> • Air Leak Tester
Corrosion Resistant:	<ul style="list-style-type: none"> • Salt Spray Test Machine

Main Productions:

- Investment Casting
- Forging
- Machining
- Surface Plating & Coating
- Stamping

Materials:

- SS316, SS304, SS410, 17-4PH
- SS316L, SS304L, Duplex
- Inconel 625, Inconel 718
- WCB, WCC, 4140, 1215, A105, LF2

Main Products

Valve Parts and Accessories

Grease Fittings and Wave Springs

Fluid Control Metal Parts

Building and Marine Hardware
