

A Reliable Supplier of Investment Castings and Machining Metal Parts

About Teamco

- *Established in 1995, Teamco is a professional **OEM** supplier of **machined castings** in Oil & Gas, Industrial Fluid Control, Chemical and Food Processing, Sensor Metal Parts, Machinery, Heavy Duty Mechanical Locking Components and Marine Hardware.
- *Our expertise is the tailored services especially in **Stainless Steel** metal parts in various **surface finishes**. Our mission is to provide the most competitive solutions to worldwide customers.

Our Advantages

- *One-Stop Shop, Total Solution; Familiar With International Standards.
- *Pattern Mold Design Team, Mold Flow Analysis; Casting Quality Stable.
- *Full Communications with Customers, Products Meet Designs and Applications.
- *3D Printing Fast Production; Sub-Assemblies Save Customer Time and Cost.

Inspection Equipment

Material Analysis:	<ul style="list-style-type: none"> • Spectrometer • Metallographic Microscope
General Inspections:	<ul style="list-style-type: none"> • Calipers • Height Test Machine • 2.5-D Optical Projector • 3-D Measuring Machine
Partial Dimensions:	<ul style="list-style-type: none"> • Contour Measuring Machine • Optical Projector
Surface Roughness:	<ul style="list-style-type: none"> • Surface Roughness Tester
Mechanical Properties:	<ul style="list-style-type: none"> • Rockwell Hardness Tester • Brinell Hardness Tester • Universal Tensile Test Machine • Universal Impact Test Machine • LNG Cryogenic Tester (-196°C)
Non-Destructive Tests (NDT):	<ul style="list-style-type: none"> • Ultrasonic Testing Equipment (UT) • Magnetic Particle Inspection Tester (MT) • Penetrant Inspection Equipment (PT)
Leakage:	<ul style="list-style-type: none"> • Air Leak Tester
Corrosion Resistant:	<ul style="list-style-type: none"> • Salt Spray Test Machine

Surface Treatments:

- Electro-Polishing
- Matt/ Mirror Polishing
- Tumbling/ Grinding/ Passivation
- Nickle/ Zinc Plating
- Hard Chrome Plating
- QPQ (Quench-Polish-Quench)

Materials:

- CF8/ CF8M, CF3/ CF3M, Cb7Cu-1
- SS316, SS304, SS410, 17-4PH
- SS316L, SS304L, Duplex
- Ti Alloy, Inconel 625, Inconel 718
- WCB, WCC, 4140, 1215

Main Products

Valve Metal Parts and Grease Fittings

Fluid Control Metal Parts

Building and Marine Hardware

Our Customization

Analyze Customer Inquiry

Confirming specifications,
applications, inspection
standards

Provide Best Solution

Technical Supports,
achieve drawing
dimensions, tolerances

Long-Term Working Model

Services fulfill diversified
demands, urgent requests,
special projects
